Yevshan, is under the artistic direction of Vitali Sorokotiaguine, who has been working tirelessly to prepare for the 50<sup>th</sup> anniversary celebrations. Yevshan is working with a renowned composer from Ukraine to create a new Folk Ballet and a number of new pieces. Our goal is to have the twelve piece orchestra from Ukraine accompany us at the concert.

We do not have to tell you the work and fundraising that goes into putting on this kind of event. We ask you from the bottom of our hearts to please support Yevshan by attending the 50<sup>th</sup> Anniversary celebrations. It was your vision and foresight and hard work that insured the success of Yevshan and we would like to share this event with you.

**Destiny has brought us across the sea, from the beautiful valleys of the Dniepro River.**

Here we have planted our roots deep, living in joy and harmony. As our forefathers would want it. We dance when we are happy, dance when we are sad, dance when we are joyful, dance when we are in pain. We dance to let others know who we are, where we are from and to let them know our gift of life. Most of all, we dance because we love it.

We are **YEVSHAN!**

There are over 600 alumni in Yevshan. If you know anyone who has not received this letter please email [ekw118@mail.usask.ca](mailto:ekw118@mail.usask.ca) or phone 374-7976 and leave us a name and possible phone number.

Sincerely,

**The 50th Anniversary Alumni Committee**
